Old Business

Town owns a piece of property (Map 18 LOT 41- 0.183 acres). There was an old abandoned camp on this lot. This building was a hazard to the abutter Mr. Fuller who has children who play near the building. Mr. Fuller has had the camp knocked down and now would like the remains taken care of. J. Hotchkiss states there are two options. 1. The fire department could do a training burn once the snow is covering the ground, or 2 it could be hauled away. J. Bailey who is the liaison with the fire department will check so see if the FD is interested in the training option.

New Business

Ron Randlett here to speak to the Board of Selectmen with an issue he is having regarding a cemetery. His neighbor is stating that they own the cemetery. Neighbor currently has blocked off the entrance to the right-of-way with a log. Surveyor Tetreault was here to speak about the surveying that was done when Randlett bought his property. Surveyor explained that who owned the right of way was not the concern. The original deed to the abutter's property states clearly the right to pass and repass from the cemetery. Laura will look into the cemetery RSA and draft a letter to the abutters and copy the police and all residents involved.

Fire Department Ambulance bay door is overheating. Laura received a quote from Seacoast Overhead Door. Laura will reach out to receive an additional quote. If no quote is given within 24 hours, Laura will order from the first quote. If the quote is received in a timely matter, she will order the repair from the company that can have the repair done ASAP.

M. Schwarz talked to the Venture Crew about building a new notification board for outside. They will be getting back to him.

Public Participation

J. Bailey motion to adjourn @7:19 PM, M. Schwarz seconds, all in favor.
Respectfully submitted by:
